

Greetings to our current corporate and individual sponsors, prospective sponsors and donors, other Divine 9 organizations and the North Texas community at large! We appreciate you reviewing the efforts we are leading as the Diamond Achievers Foundation of Frisco (DAF)!

We want to thank you for your generous donations since our inception in 2022! Our DAF goal is to achieve success through active participation, collaborative communication, proactive planning and community outreach to secure sponsorships for program initiatives and scholarship funding for our Guide Right/Kappa League participants.

With your support, we have made a major difference in the lives of these young men! Over 110 students in grades 6-12 have enrolled in our Kappa League program! We provided a \$2,000 scholarship to each of our 7 graduating seniors in 2023 for a total of \$14,000 and we are set to award \$3,000 scholarships to each of our 5 seniors that will be graduating in 2024, for a total of \$15,000! Our Foundation members collectively have invested over 350 hours mentoring and teaching life/leadership skills to these students since our inception!

We host two signature fundraising events annually, which are a Memorial Kup Polo Classic Tournament Labor Day weekend, and a Tennis Shoes & Tuxedo Gala, which takes place in the fall. Details of these events as well as photos of the ongoing mentoring and leadership we engage in with our Kappa League students are highlighted on our website @ <http://bit.ly/488RUv1>

As we continue to lead from the front in the North Texas community, the DAF would like to again increase the amount of annual scholarships that we provide, as well as enhance our programming and engagement, all of which require funding from generous sponsors and donors like yourself. There are links to donate on our website, and if you would like additional details on sponsorship opportunities, please reach out to us via the "Contact Us" section of our website.

In closing, thank you again or in advance for supporting the mission and goals of the DAF, and the work we are leading to make a positive difference in the lives of young men!

Respectfully,

Livingston Albritten, Jr.  
President, Diamond Achievers Foundation of Frisco
